

Joseph Kennish

Sportswriter

Age:
27

Educational Level:
Degree

DESCRIPTION

Joseph works for a small-town newspaper company and writes for the sports section. He loves what he does and sometimes does not have the time to watch every game on TV. Joseph is looking for a website to be able to gather information from when he is not able to keep up with the games.

Education

- Chichester High School
- Delaware County Community College

GOALS

- Become one of the most well-known sports writers
- Have his own newspaper company one day
- Find good tools and information to improve his skills

PROFILE

Jacob is a well-known doctor in Pennsylvania. He has been in his field for 25 years. The second thing that he loves to do besides help people is go to sports games. James has decided to go back to school to better educate himself while still working so he will not have much free time to watch sports games.
